SUMMARY

Virtual Assistant with 5+ years of administrative and data entry experience, including high-volume records management, multi-platform data verification, and process documentation for U.S.-based clients. Skilled in Excel, Google Workspace, and Microsoft Office. Built Excel, Outlook, and Word automations that cut a daily 3-hour task to about 1. Available full-time on UK, US, or AU business hours.

EXPERIENCE

Virtual Administrative Assistant (Back-Office) | Remote | Nov 2023 - Sep 2026
Resident Eye Care Associates

- Maintained and updated records daily across two internal systems, verifying status and demographic changes for 15-25 facilities.
- Performed 50+ data verification checks per day across four platforms to confirm accuracy before processing.
- Processed documentation including referrals, demographic updates, consent records, and dictation, entering corrections directly into records.
- Coordinated with outside facilities via templated correspondence to schedule and confirm appointments, and conducted record look-ups across facility files.
- Identified and resolved a records-update inefficiency by consolidating entry into grouped headings, and independently designed a redesigned client-facing flyer, adopted for ongoing use.
- Built three Excel, Outlook, and Word automations for schedule drafts, client notifications, and templated flyers; cut daily prep time from about 3 hours to about 1.

Subject Matter Expert / Assistant Team Leader | Nov 2022 - Oct 2023
Optum | Cebu City, Philippines (Hybrid)

- Promoted into a leadership-track role supporting new agents; trained and coached 10+ agents on documentation accuracy, supporting up to 3 teams.
- Monitored KPIs and built daily/weekly reporting trackers; reviewed and corrected documentation for compliance.

Customer Service Representative | Nov 2020 - Nov 2022
Optum | Cebu City, Philippines (Hybrid)

- Processed 30-50 inbound requests per day from providers, verifying eligibility and account details and entering case data into internal systems.

Amazon Product Researcher / Lister (Freelance) | Nov 2018 - Oct 2019
Remote

- Conducted product and market research, entering and updating product data in Google Sheets for seller accounts.
- Created weekly reports on best-sellers and pricing benchmarks; suggested listing improvements based on search ranking performance.

EDUCATION

Bachelor of Science in Computer Engineering, STI College Surigao (Aug 2019)

CERTIFICATIONS & TRAINING

- Virtual Assistant Training: Ready To Round, 360MVA, VA Of The Future (2024)
- HIPAA Certified, Biologix (2024, renewed 2026)

SKILLS

- High-volume data entry and records management: 50+ records processed daily across multiple systems
- Excel, Google Sheets, Microsoft Office (Word, PowerPoint, Outlook); built macros and automations for recurring admin work
- Multi-platform data verification and cross-referencing across up to 4 systems at once
- Document processing, digital filing, record audits, and quality assurance checks
- Scheduling support, templated correspondence, and vendor/facility coordination
- Comfortable learning new software platforms and internal systems quickly; strong written and verbal English communication
